

# Byron Shire - Solar Shire

Byron Shire now has one of the highest uptakes of solar hot water and solar panels in NSW!

*"From a business perspective, it's a no-brainer."*

Graeme Wilson  
Small Business Owner - Mullumbimby

*"Energy bills are only going up so we wanted to reduce costs."*

Karen Gross  
School Teacher - Mullumbimby

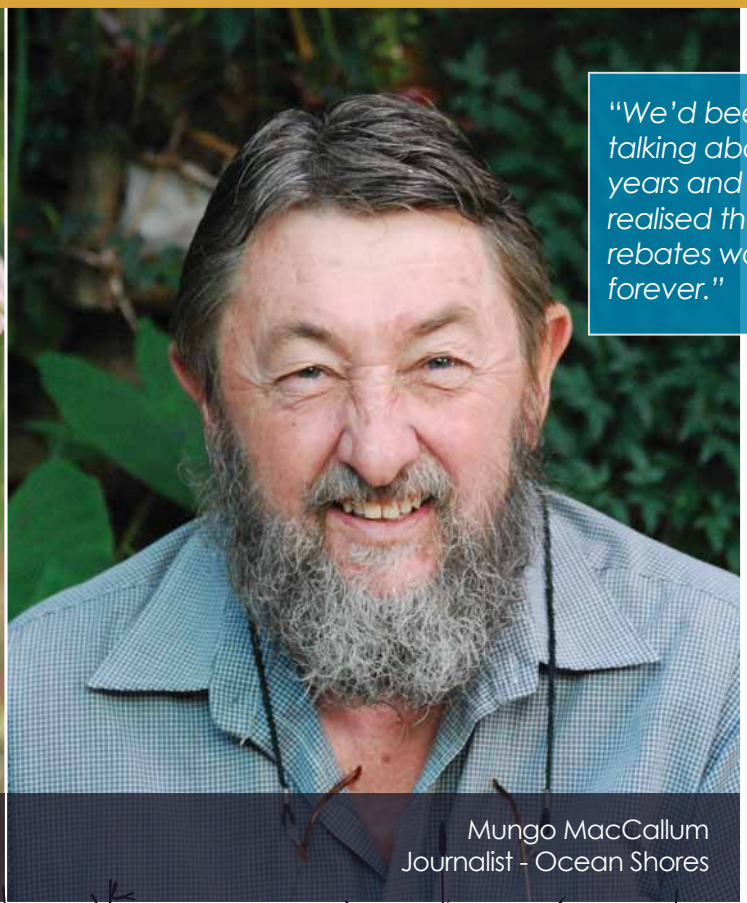

**"We've Gone Solar... Have You?"**

*"I'll be paid to generate power. It's one of the best investments I've made."*

Mollie Strong  
Hospital Volunteer Coordinator - Byron Bay

*"We'd been talking about it for years and then realised that the rebates won't last forever."*

Mungo MacCallum  
Journalist - Ocean Shores
