A standing sentinel in the heart of Mullumbimby, the Mullumbimby Civic Hall is a calibre of venue that is sought after for many events, from concerts to weddings, events, lectures, meetings, functions and visual art exhibitions.

With warmth of character that is unusual for so much space, the Mullumbimby Civic Hall is renowned for its diverse range of productions that includes theatre shows, feature films and documentary screenings, as well as playing host to a vast array of community events.

The Hall boasts a large open hall with multiple doors lining each side flowing out into a courtyard space on one side and war memorial park on the other. These spaces can be used for larger events upon application to Byron Shire Council.

Offering a large range of audio-visual equipment, lighting, air conditioning and multiple portable stages. These stages will enable more flexibility in setting up your event. You can choose to set up your act/band on the main floor to create a more intimate showcase for your performance. The stages can also be used as stage risers. The stages are easy to assemble and roll away for easy storage. Perfect for meeting spaces, speaker risers and basic performance requirements

A separate spacious kitchen offers doors opening up to the larger hall area and another room, ideal for meetings and workshops. The kitchen is also available for hire separately.
