# Operational Plan 2023/24

# Acknowledgement of Country

Byron Shire Council acknowledges Traditional Aboriginal Custodians and recognises the continuing connection to lands, waters and country.

We recognise and respect the Bundjalung of Byron Bay – Arakwal and the Widjabul Wia-bal peoples native title rights and interests within the Shire; and to their Elders past and present.

Byron Shire Council also acknowledges the Tweed Byron, Jali and Ngulingah Local Aboriginal Land Councils under the Aboriginal Land Rights Act NSW 1983.

### **Executive Summary**

Welcome to Council's Operational Plan 2023/24, where we're committed to delivering on our promises to the community. Following the 2021 Local Government election, Council developed the Delivery Program 2022-26 to outline our commitments for the term. This Operational Plan outlines the proposed activities to support those commitments in 2023/24.

We understand the impact that the devastating flood events of early 2022 had on the Byron Shire community and the need for recovery. As such, one of our key focuses for the upcoming year is on continuing to rebuild and repair community infrastructure, including roads, bridges, and community buildings. We recognise the importance of these services to the community, and we are committed to making sure they are fully functional as soon as possible.

The housing crisis in the Byron Shire and beyond has only worsened due to the displacement caused by the flood events. We're committed to finding solutions, and our focus on this issue will continue. We believe that everyone deserves a safe and secure place to call home, and we're looking for opportunities to improve process, planning, and legislation to make this a reality. In addition to these priorities, we're also committed to providing excellent services to the community. We'll be continuing to focus on delivering highquality customer service, and improving our processes and systems to make it easier for the community to interact with Council. We're also committed to exploring ways to reduce our environmental impact and support a more sustainable future for the Byron Shire.

We recognise that we can't do this alone and we'll need to work with the community to achieve our goals. We will continue to engage with the community and stakeholders to ensure that we're listening to feedback and incorporating it into our decision-making processes. We believe that by working together, we can achieve great things for the Byron Shire.

Council is excited about the opportunity to deliver on our commitments and continue to support the Byron Shire community. Together, we will rebuild and emerge stronger.

# Integrated Planning and Reporting

## 10 Year Community Strategic Plan

Leading the Council's planning hierarchy, the Community Strategic Plan captures the community's vision, aspirations, and expectations for the future. It identifies key social, economic, and environmental priorities and long term strategies to achieve these goals over the next 10 years.

## 10 Year Resourcing Strategy

The resourcing strategy addresses the sustainable long term financial, asset management, and workforce planning requirements. This is the point where Council assists the community by sorting out who is responsible for what, in terms of the issues identified in the Community Strategic Plan.

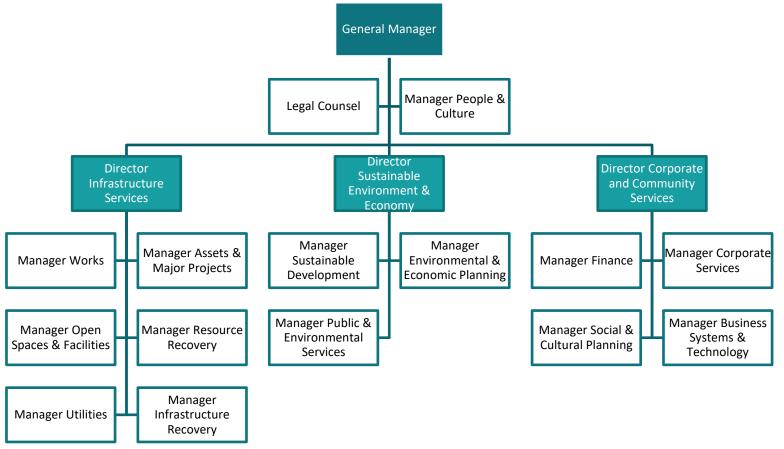

# 4 Year Delivery Program

The delivery program translates the community strategic plan goals into actions. It is Council's commitment to the community, outlining what it intends to do toward achieving the goals of the community strategic plan during its term of office. The Delivery Program is the single point of reference for all principal activities undertaken by Council. All plans, projects, activities, and funding allocations must be directly linked to the four-year delivery program.

## Annual Operational Plan

The Delivery Program is supported by an annual Operational Plan which details the individual projects and activities that will be undertaken each year to achieve the commitments of the Delivery Program. The Operational Plan is supported by a detailed budget and a statement of revenue policy, which also sets the fees and charges for that year.

# **Organisation Structure**

# **Council Values**

Council staff have embedded the following important values into their everyday tasks and contact with each other and the community.

These words and images help staff focus on what is important to them about values. We have built these values into the staff recognition and acknowledgement programs.

# **Community Objectives**

# Vision

# Byron Shire is a 'meeting place'

Where people can come together to connect, share, grow, inspire, and create positive change.

### Effective Leadership

We have effective decision making and community leadership that is open and informed

# tt.

# Inclusive **Community**

We have an inclusive and active community where diversity is embraced and everyone is valued

# Murtured Environment

We nurture and enhance the natural environment

# Ethical Growth

We manage growth and change responsibly

# Connected infrastructure

We have connected infrastructure, transport, and facilities that are safe, accessible, and reliable.

# **Recovery Action Plan**

In February and March 2022 Byron Shire experienced the most significant flooding in documented history. The impact has been felt across all communities within Byron Shire, and the Northern Rivers region. There was extensive destruction of dwellings, environment, and infrastructure, and the impacts on community and the local economy are still being felt.

The Recovery Action Plan responds to the disaster events of February and March 2022.

The term 'disaster events' is used to encompass the heavy rains, unprecedented flooding of river systems, and devastating land slips which have had significant negative impacts within Byron Shire. The Recovery Action Plan is not only about reinstatement and remediation, it includes determining how to build back with greater preparedness. Recovery means adapting to the current context, as we have not yet returned to 'normal'. Recovery includes leveraging what we have learned and improving our preparation for possible future disasters. In these ways, the Recovery Action Plan is also about disaster resilience.

The Recovery Action Plan is for all of Byron Shire. The disaster events of early 2022 impacted all of us within the region, with many communities united through the common experience of isolation, loss, trauma and grief, as well as buoyed by the collective action of neighbour helping neighbour. While we recognise the broad impact of the disaster events, we also know that some locations and individuals have borne a direct and particularly heavy toll. We have established our Recovery Action Plan priorities accordingly to respond to the greatest needs.

### Intended outcomes

We have developed the following outcomes statements to convey the intent of the Recovery Action Plan across the five domains of recovery:

#### **Recovery Action Plan outcome statements**

#### **Built Environment**

We have reinstated Council infrastructure on a priority basis, including integration of disaster resilience wherever possible.

We have integrated new information about disaster risk into land use planning.

#### **Natural Environment**

We have facilitated the recovery of the natural environment and increasing resilience to future environmental events.

#### **Economic recovery**

We have facilitated access to financial supports, and contributed to economic recovery of businesses, industries and individuals.

#### **Community wellbeing**

We have facilitated disaster recovery and disaster resilience in communities.

#### **Emergency arrangements**

We have improved emergency arrangements to reflect learning from the disaster experience.

# **Recovery Actions**

The recovery is ongoing and Council has emphasised some of the key priorities that will need to be addressed in the coming years in the Delivery Program 2022-26, as shown below.

| 3.3<br>Protect the health of<br>coastline, estuaries,<br>waterways, and catchments | 4.2<br>Enable housing diversity and<br>support people experiencing<br>housing insecurity   | 4.5<br>Support a resilient community<br>that can adapt and respond<br>to change            | 5.1<br>Provide a safe, reliable,<br>and accessible transport<br>network                               | 5.3<br>Ensure infrastructure meets<br>future needs and invest in<br>emerging technologies |
|--|--|--|---|---|
| 3.3.2<br>Floodplain<br>management  | 4.2.1<br>Housing insecurity  | 4.5.2<br>Recovery  | 5.1.5<br>Restore road network   | 5.3.4<br>Telecommunications   |
| Mitigate the impact of<br>flooding on private and<br>public property               | Seek opportunities that<br>provide fair, appropriate,<br>and affordable housing<br>for people experiencing<br>housing insecurity | Support the community<br>through the ongoing<br>recovery following the<br>2022 flood event | Restore the affected<br>parts of the road<br>network that were<br>impacted by the 2022<br>flood event | Advocate for more<br>disaster resilient<br>communication<br>networks                      |

There are a number of activities from the Recovery Action Plan that are incorporated into this Operational Plan, as depicted by the below icons:

**Built Environment** 

Natural Environment

**Economic recovery** 

Community wellbeing

Emergency arrangements

# How to read this document

Our plans are based around five community objectives underpinned with 25 strategies. The Operational Plan is presented in this document in two key parts. The layout and key parts of this document are:

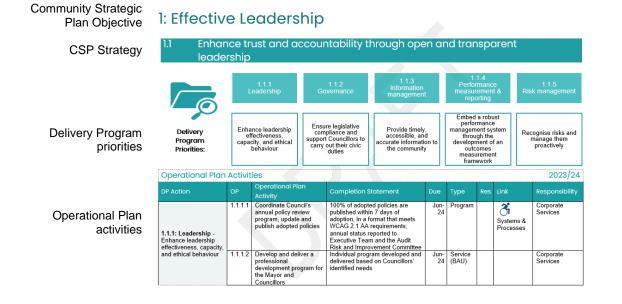

#### Part 1: Operational Plan 2023/24

The Operational Plan is structured by the 5 Community Strategic Plan objectives, denoted by the separate colours and sections within this document. The corresponding CSP strategy and Delivery Program priorities frame the list of Operational Plan activities, as set out in the example below.

Each Operational Plan activity has a corresponding measure, due date and type; and where relevant links to Council resolution and DIAP are also identified.

#### Part 2: Budget and Works by Operational Area 2023/24

This part of the document is laid out by operational area and notes who is responsible for each budget area. It sets out our budget for the year ahead and includes the financial plans and budgets for capital works and where funds and resources come from, and go to, in terms of carrying out day-to-day Council operations and to helping fund capital expenditure items.

# **Disability Inclusion Action Planning**

Byron Shire Council is committed to co-creating an equitable, accessible, and inclusive community.

The *Disability Inclusion Act 2014* (NSW) provides the legislative framework to guide

state and local government disability inclusion and access planning. The Act supports people with disability to access:

- the same human rights as other members of the community.
- independence and social and economic inclusion within the community; and
- choice and control in the pursuit of their goals and the planning and delivery of their supports and services.

In meeting the requirements under the Act for disability inclusion and access planning, Council must:

- specify how it will incorporate UN human rights disability principles into its dealings with matters relating to people with disability
- (b) include strategies to support people with disability
- (c) include details of its consultation about the plan with people with disability
- (d) explain how planning supports the goals of the State Disability Inclusion Plan in the four key areas of.

### Attitudes & Behaviours

Council staff show positive attitudes and respectful behaviour towards people with disability, including "invisible" disability and encourage these positive attitudes and behaviours within the broader community.

### Liveable Communities

Council will create more accessible infrastructure, public spaces, recreational and cultural activities, and events enabling greater participation in community life.

### Employment

Council will encourage the development of opportunities for people with disability to obtain meaningful employment within Byron Shire.

### Systems & Processes

People with disability can easily and efficiently access Council services and engage in decision-making.

Council is committed to co-creating meaningful change in all four key areas by undertaking programs and activities each year that work to achieve these outcomes.

The Disability Inclusion Action Plan (DIAP 2022-26) sets out the key strategies and actions Council will deliver to support people with disability have greater access to information, services, and facilities. DIAP activities are included in Council's Integrated Planning and Reporting (IP&R) framework through the annual Operational Plan.

# The Accessible Icon

program is identified as a Disability Inclusion Action Plan activity. Progress on these activities is formally reported as part of Council's annual reporting processes

represents that the project or

# 1: Effective Leadership

# 2: Inclusive Community

We have an inclusive & active community where diversity is embraced & everyone is valued

# Strategies

- 2.1 Foster opportunities to express, celebrate and participate in arts and cultural activity
- 2.2 Enhance safety and contribute to the physical, mental, and spiritual health and wellbeing of the community
- 2.3 Respect Aboriginal culture, value cultural knowledge, and acknowledge history
- 2.4 Enrich lifelong learning and education and support services to help young people thrive
- 2.5 Create social impact and initiatives that address disadvantage

# 2: Inclusive Community

# 2.1 Foster opportunities to express, celebrate and participate in arts and cultural activity

|                                    | 2.1.1<br>Public art  | 2.1.2<br>Lone Goat Gallery   | 2.1.3<br>Events and<br>festivals  | 2.1.4<br>Artistic and<br>creative industries  | 2.1.5<br>Identity and<br>Heritage  |

## Strategies

- 3.1 Partner to nurture and enhance biodiversity, ecosystems, and ecology
- 3.2 Deliver initiatives and education programs to encourage protection of the environment
- 3.3 Protect the health of coastline, estuaries, waterways, and catchments
- 3.4 Support and empower the community to adapt to, and mitigate the impact on climate change
- 3.5 Minimise waste and encourage recycling and resource recovery practices

## 3: Nurtured Environment

3.1

## Partner to nurture and enhance biodiversity, ecosystems, and ecology

| <b></b> ?                          | 3.1.1<br>Native species   | 3.1.2<br>Pest and weed<br>management  | 3.1.3<br>Habitat restoration   |
|------------------------------------|---|---|--|
| Delivery<br>Program<br>Priorities: | Use best practice land<br>management to<br>improve ecological<br>resilience and reduce<br>threats to biodiversity | Continue best practice<br>Integrated Pest<br>Management on<br>council owned and<br>managed land | Restore degraded<br>areas that provide high<br>environmental or<br>community value |

## 4: Ethical Growth

# We manage growth and change responsibly

## Strategies

- 4.1 Manage responsible development through effective place and space planning
- 4.2 Enable housing diversity and support people experiencing housing insecurity
- 4.3 Promote and support the local economy
- 4.4 Foster sustainable visitation and manage the impacts of tourism on the Shire
- 4.5 Support a resilient community that can adapt and respond to change

## 4: Ethical Growth

4.1

Manage responsible development through effective place and space planning

We have connected infrastructure, transport, & facilities that are safe, accessible, & reliable

#### Strategies

- 5.1 Provide a safe, reliable, and accessible transport network
- 5.2 Connect the Shire through integrated transport services
- 5.3 Ensure infrastructure meets future needs and invest in emerging technologies
- 5.4 Provide accessible community facilities and open spaces
- 5.5 Provide continuous and sustainable water and sewerage management

# 5: Connected Infrastructure

#### 5.1

## Provide a safe, reliable, and accessible transport network

| 9                                  | 5.1.1<br>Road maintenance   | 5.1.2<br>Road renewal and<br>upgrades                        | 5.1.3<br>Active transport -<br>pedestrians and<br>cycleways   | 5.1.4<br>Multi-Use Rail Corridor   | 5.1.5<br>Restore road network  |
|------------------------------------|---|--|---|--|--|
| Delivery<br>Program<br>Priorities: | Undertake road and<br>transport network<br>maintenance to meet<br>the standards<br>identified in the Asset<br>Management Plan | Deliver road renewal<br>and upgrade capital<br>works program | Deliver the actions<br>identified in the<br>Pedestrian Access<br>and Mobility Plan and<br>Bike Plan | Activate the rail<br>corridor for multi-use<br>that provides<br>expanded active and<br>shared transport<br>options catering to<br>visitors and residents | Restore the affected<br>parts of the road<br>network that were<br>impacted by the 2022<br>flood events |

# Directorate Sustainable Environment & Economy

### Services Provided:

#### Sustainable Development

- Development Assessment and Certification
- Town Planning and Development Related Advice
- Building, Plumbing and Driveway Inspections
- Subdivision Inspections and Approvals
- Footpath Dining and other Approvals.

#### **Environmental and Economic Planning**

- Strategic land use planning including rural, urban and business and industrial land strategies, Development Control Plans and Local Environmental Plans
- 10.7 Certificates
- Coastal and estuary policy, planning and management
- Natural environment and biodiversity policy and planning
- Koala conservation
- Feral animal control
- Flying Fox camp management
- Sustainable agriculture including regenerative farming and productivity support
- Sustainability including emissions reduction, energy efficiency, renewable energy, climate change mitigation and adaptation and community gardens
- Events, wedding and filming approvals and licensing
- Economic Development including supporting businesses and tourism industry

#### Public & Environmental Services

- Regulatory controls and enforcement
- Parking management and patrols of town and village centres
- Proactive camping patrols of streets and public places
- Companion animal program and management services
- Companion animal education
- Respond to livestock on public roads
- Waste compliance
- Monitor, investigate and respond to unauthorised land use, development, environment, environmental health and alcohol free zone complaints
- Respond to people experiencing homelessness and rough sleeping through engagement and referrals to appropriate support and housing services
- Maintain public health and safety programs, including:
  - food safety inspection and surveillance programs
  - seasonable public health issues and community preparedness
  - awareness of current public health requirements
- onsite sewage management programs and approvals
  - noise and pollution concerns
  - mosquito management
  - clean waterways through the Beach Watch program
  - o contaminated lands

| Total Budget: | Operating<br>Revenue | Capital<br>Revenue <sup>1</sup> | Operating<br>Expenditure | Capital<br>Expenditure <sup>2</sup> |
|---------------|----------------------|---------------------------------|--------------------------|-------------------------------------|
|               | \$5,278,900          | \$969,100                       | \$13,819,600             | \$0                                 |

1. Capital Revenue excludes transfers from Reserves.

2. Capital Expenditure excludes loan principal repayments and transfers to Reserves.

## Unit Overview Environmental & Economic Planning

| New responsibilities         This unit prepares and implements strategies, plans and policies for the housing, employment, visitation, events, environmental management, coastal, sustainability, and biodiversity needs of our current and future population, our towns and villages and our natural environment that meet state, regional and Council policies and relevant legislation.           The unit also provides services including events, wedding and filming licences and approvals. 10.7 certificates and rural road numbering. <ul> <li>Local Growth Management Strategies eg. <u>Rural Land Use Strategy, Residential Strategy, Business and Employment Lands</u></li></ul>   |                      | 0   |

### 2023-2024 Budget

Byron Shire Council has prepared the 2023-2024 Budget utilising the following parameters:

- Rate peg increase of 4.6% as announced by the Independent Pricing and Regulatory Authority (IPART).
- Provision for the 4.0% Award increase from the first full pay period after 1 July 2023 under the Local Government (State) Award 2023 for Council staff. At the time of preparation of this document the finalisation of the new Local Government State Award has not been completed so the Award increase may be different. Allowance for increase in the Superannuation Guarantee from 10.50% to 11.00%.
- New external loan borrowings of \$10,487,100 devoted to Byron Community Hub (Former Byron Hospital) redevelopment (\$3,500,000), improvement for Suffolk Beachfront Holiday Parks for compliance works and caravan replacements (\$540,000), First Sun Holiday Park Land Acquisition \$2,075,000, Street Lighting LED Upgrade \$700,000 and Plant Replacement \$3,672,100.
- Interest on investments around 4.50% plus active management of the investment portfolio to maximise returns.
- Provision of \$143.1million in Infrastructure restoration following the February/March 2022 flood events in a new budget program titled 'Infrastructure Recovery'.
- Reflective of actions contained in this Operational Plan.

As an overall summary, Council's total 2023/2024 Budget is \$308,912,600 made up as follows:

- Operating expenditure (excluding depreciation) \$98,324,900
- Depreciation expense \$20,523,000
- Capital works \$185,980,100
- Debt repayment (loan principal) \$4,084,600

Excluding depreciation expense, the total spend of Council for 2023/2024 is \$288,389,600.

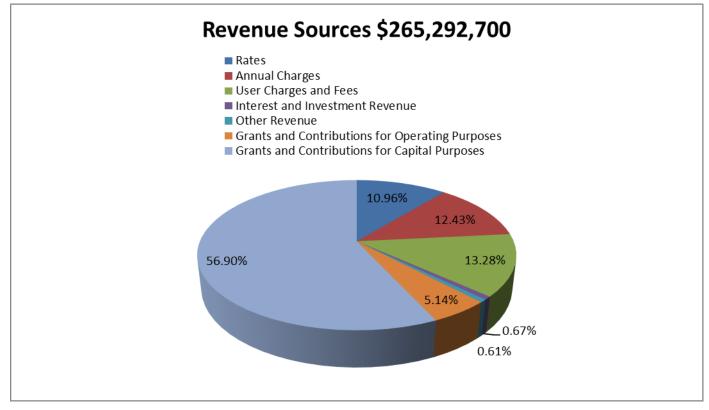

On a Consolidated All Funds basis, Council is expecting an overall budget surplus in 2023/2024 of \$146,444,800 and an operating budget deficit of \$4,495,100 as indicated by the following budgeted Operating Statement:
