When would you like your child to commence? _____

There are no mandatory requirements for filling vacancies, and providers can set their own policies for prioritizing who receives a place. However, as vacancies arise, we do consider children based on the following categories. Please select which option below relates to your circumstances.

- A child at risk of serious abuse or neglect.
- A child of a sole parent who satisfies, **or** parents who **both** satisfy the activity test through paid employment.
- Neither of the above.

Placing a child's name on our waiting list unfortunately does not guarantee a position at any time for a child.

A \$20 non-refundable fee applies to all waiting list applications.

As there is a heavy demand for places in the centre, you are asked to notify us immediately if your child no longer requires care, or if there are any changes to the information on this form, ie. Address, phone numbers, priority status.
