This map illustrates the proposed bicycle infrastructure for Ocean Shores and South Golden Beach. The map features a network of roads, including Shara Boulevard, New Brighton Road, and the Pacific Motorway. Various land uses are color-coded: Residential (light red), Commercial (light blue), Environmental (light green), and Industrial (light purple). The map shows existing paths and new/upgraded crossings, along with different types of cycle paths: Off-road separated cycle path (thick orange line), On-road separated cycle path (orange line), On-road cycle lane (dashed orange line), Mixed traffic (dotted orange line), and Shared path (dash-dot orange line). Pedestrian crossings are marked with black dots. The map also shows the coastline and the ocean to the east.

This map illustrates the proposed infrastructure for the South Golden Beach and Billinudgel area. The map features a network of roads, including Shara Boulevard and New Brighton Road, which are shown with various line styles and colors to indicate different types of paths and crossings. Land use zones are color-coded: Residential (light red), Commercial (light blue), Environmental (light green), and Industrial (light purple). A prominent light blue water feature, likely a river or lake, flows through the center of the map. The map also shows existing and proposed pedestrian crossings, marked with black dots. The legend in the top-left corner provides a detailed key for all symbols and colors used on the map.
