The map displays the proposed infrastructure for the PAMP project in Byron Bay South. It features a legend in the top-left corner defining symbols for pedestrian crossings, new/upgraded crossings, new/upgraded paths (footpath, shared path, mixed traffic), existing infrastructure (footpath, boardwalk, shared path, stairs), and land uses (residential, commercial, environmental, industrial). The map shows a network of roads, including Bangalow Road and Broken Head Road, with various infrastructure elements marked along them. The land is color-coded by use: residential (light red), commercial (light blue), environmental (light green), and industrial (light purple). The map is bordered by an orange bar on the left and a light blue area on the right.
